

AGENT PROFILE
SHERRIE S. ANDERSON
Sherrie's Realty, Inc.

PROFESSIONAL EXPERIENCE

I have been a full-time realtor since 1989 and have had my broker's license since 1991. Over the years I have received numerous special awards for sales.

SERVICE AREAS AND SPECIALTIES

I specialize in people, giving them 100% of my attention and listening to their needs. I truly enjoy working with young, first-time homebuyers as well as retired people looking for that special home to fit their needs. I try to fit the home to the client and fit the proper financing to the client. Since there are many loans available, I will inform the client about the loan programs.

PERSONAL, COMMUNITY, AND FAMILY

I have enjoyed my twenty years as a realtor. It is much harder work than I had expected, however, it is very rewarding to see the deal come together, iron out the problems, and have a closing that is so smooth and simple that my clients think buying or selling real estate is a breeze. That is my goal.

I am a member of the Backbone Board of Realtors. My city involvements are: Ambassador to our city for eleven years, member of our Chamber of Commerce, member of the Planning and Zoning board, and a member of the VFW for 30 years.

My husband Dick and I have been married 43 years. We have a son Mike and his wife Tina and grandsons Garrett and Cullen of Independence, a son Mark and his wife Pansy and grandson Ethan and granddaughters Hannah and Riley of Independence, and daughter Michelle and her husband Bill of Coon Rapids, MN.

During the summer Dick and I enjoy boating and fishing as much as possible. I am very family oriented and love spending time with my three grandsons and two granddaughters. They are the light of my life. I also love fixing big family meals – so come on over.
